Main Bio

Nancy Campbell has been practicing in the employee benefits area since 1992. Prior to her transition to "of counsel" status, Nancy was a partner and a leader of the firm's employee benefits and executive compensation practice. Her practice is focused on health and welfare plans, qualified plans (with an emphasis on Section 401(k) plans), and employee benefits planning in mergers and acquisitions. Nancy has significant experience in the areas of Employee Retirement Income Security Act of 1974 ("ERISA"), the Affordable Care Act (including, but not limited to, the large employer shared responsibility penalties under Code Section 4980H and IRS Letter 226J), consumer driven health arrangements, high deductible health plans, health savings accounts, health reimbursement arrangements, association health plans, wellness programs, same-sex spouse and domestic partner benefits, COBRA, HIPAA (portability, privacy, and security), flexible benefit plans, tuition reimbursement programs, qualified domestic relations orders, Section 404(c) compliance, correcting qualified plan defects through EPCRS, and benefit claim administration. Nancy routinely assists clients with day-to-day administration of their employee benefit plans and programs. Nancy has represented clients in matters before the Internal Revenue Service and the Department of Labor.
