JOHN BOUMA HONORED WITH FOUNDATION FOR JUSTICE AWARD

PHOENIX (June 16, 2011) – Snell & Wilmer is pleased to announce that Chairman John Bouma has received the Foundation for Justice Award from the Arizona Foundation for Legal Services and Education.

This distinguished award is given annually to the attorney who has devoted expertise and time to changing the justice system to promote access and opportunity for those most vulnerable. The awards are acknowledged in conjunction with the Foundation participation in the annual Arizona State Bar Convention.

“I am honored to receive the Foundation for Justice Award,” said Bouma. “I believe attorneys have a responsibility to serve the communities in which we live and work and to ensure access to justice to those who need it. It is a privilege to join the list of past recipients who share these beliefs.”

Bouma's practice is concentrated in complex commercial litigation, including antitrust, commercial and business torts, financial institutions, professional malpractice defense and alternative dispute resolution. He received his B.A. from the University of Iowa with high honors. Bouma then went on to earn his *juris doctor* from University of Iowa where he graduated with highest honors.
