The current, 18th edition of *The Best Lawyers in America*® (Copyright 2011 by Woodward/White, Inc., of Aiken, S.C.) is based on more than 3.9 million confidential evaluations by only the top attorneys in the country.

The Best Lawyers in America® bases its listings on a year-long survey of the legal profession in which attorneys nationwide are asked to rate the top practitioners in their jurisdictions.

Jason Ebe is a partner in Snell & Wilmer's construction law practice in Phoenix, Arizona. Since 1996, he has represented owners, developers, contractors, subcontractors and design professionals in all aspects of design and construction matters. These areas include contract preparation and negotiation, design and construction insurance matters, payment claims, lien and bond claims, professional malpractice claims, construction defect claims and representation of contractors before the Registrar of Contractors and technical registrants before the Board of Technical Registration.

Jason is a member of the American Bar Association Forum on the Construction Industry, the Arizona State Board of Technical Registration Enforcement Advisory Committee, the Arizona Builder's Alliance, the American Council of Engineering Companies of Arizona, the Alliance for Construction Excellence Project Delivery Methods Task Force, the American Subcontractors Association of Arizona and the Maricopa County Bar Association. He is a former Chair of the Construction Law Section Executive Council for the State Bar of Arizona. He has been an active member of the Phoenix Rotary Club No. 100 since 1997.

Jason received his J.D. from the University of Arizona, James E. Rogers College of Law and a B.S. in materials science engineering from the Ohio State University.
