**DAILY JOURNAL NAMES SNELL & WILMER ATTORNEY TO
TOP WOMEN LAWYERS LIST**

ORANGE COUNTY (May 16, 2012) – Snell & Wilmer is pleased to announce that Mary-Christine “M.C.” Sungaila, partner in the firm’s Orange County office, has been named to *The Daily Journal*’s 2012 list of Top Women Lawyers. In a special issue published on May 10, 2012, *The Daily Journal* recognized 100 women lawyers – 75 litigators and 25 dealmakers -- who played a significant role in California's legal industry over the past year.

[M.C. Sungaila](#), appellate and commercial litigation partner, is making her second consecutive appearance on this list (her fourth since the list’s inception in 2005). Sungaila seeks out opportunities to initiate positive policy changes which impact both her clients and their industries. Fortune 500 companies and leading international human rights organizations have relied on Sungaila, who has briefed, argued and won appeals in various subject areas, including ones that have helped define the scope of the duty to warn sophisticated users of product hazards, set the guidelines for admitting expert testimony at trial, limited the reach of medical monitoring claims, clarified the standards for interstate enforcement of noncompete agreements and secured important rights for women and girls in California, nationally and internationally.
