**SNELL & WILMER EMPLOYEES COME TOGETHER TO
HELP THE UTAH FOOD BANK**

SALT LAKE CITY (October 23, 2012) – The Salt Lake City office of Snell & Wilmer is pleased to announce that it recently donated close to 1,000 pounds of food and nearly \$4,000 in cash to the Utah Food Bank.

During the month of September, the Salt Lake City office raised funds for the Food Bank through a friendly, in-house competition. Employees donated food and money making them eligible to compete in various games with each other throughout the month such as Bingo and a Ping Pong tournament. When the office games ended, various prizes were awarded to the deserving employees; however the Utah Food Bank was the biggest winner of all. Due to the total donations from the Snell & Wilmer office of Salt Lake City, the Utah Food Bank will be able to provide almost \$31,000 worth of food and services to those in Utah.

Utah is ranked fourth in the nation for the highest rate of very low food security in the nation and about 400,000 Utahns risk missing one meal every day. For over 100 years, the Utah Food Bank has stayed true to its mission of serving those in need throughout the state. They work tirelessly with community partners and volunteers to continue making an impact. The Utah Food Bank can turn each \$1 donation into \$8 worth of food and services.

Since our inception, Snell & Wilmer has been committed to community service and leadership. Our attorneys and staff are engaged in a number of community, civic and industry-related activities across the various geographic regions in which we live and work. Each office takes pride to serve our communities by directly supporting local organizations and by supporting the involvement of attorneys and staff in their community activities.
