**SNELL & WILMER VOTED THE NUMBER ONE LAW FIRM IN ARIZONA
BY RANKING ARIZONA: THE BEST OF ARIZONA BUSINESS**

PHOENIX (March 6, 2013) – Snell & Wilmer is pleased to announce that the firm has been voted as the number one law firm in Arizona by *Ranking Arizona: The Best of Arizona Business*, the largest business opinion poll of its kind in the state.

“We are honored to be recognized by the Arizona business community,” said John J. Bouma, chairman of Snell & Wilmer. “For 75 years, our firm has been dedicated to providing superior client service. As a result, we have earned a reputation for providing clients with what they value - exceptional legal skills, quick response and practical solutions delivered with the highest level of professional integrity.”

Each category in Ranking Arizona is selected by the staff of AZ Big Media for the general public to vote on and is based upon business and leisure activities of Arizona's business professionals. The rankings, published annually by Arizona Business Magazine and mailed out to a controlled distribution list of primarily upper management executives, presidents, principals and small business owners, include more than 250 business and leisure categories. Voters, which include residents and business leaders throughout Arizona, participated in an online opinion poll provided by the official Ranking Arizona website. Categories are chosen by Arizona Business Magazine, and are based on feedback from the state's business community regarding their interests and leisure activities.

Ranking Arizona is based purely on opinion. Participants who voted were asked to base their opinions on quality of product, service and people, and not merely the company's revenue and number of employees.
