

JOHN BOUMA NAMED TO 2013 LAWDRAGON 500

Snell & Wilmer Chairman One of Only Three Arizona Attorneys Recognized

PHOENIX (November 4, 2013) – Snell & Wilmer is pleased to announce that Lawdragon has recognized firm Chairman John J. Bouma in the 2013 edition of Lawdragon 500: Leading Lawyers in America. Bouma is one of only three Arizona attorneys included in this eighth annual guide “to the very best of the legal profession.”

Each year, Lawdragon features its guide to the “500 Leading Lawyers in America” in its magazine that covers many of the year’s most interesting lawyers and legal matters. Attorneys included in the guide are selected based on a combination of online ballots from peers and in-house counsel; law firm submissions; and Lawdragon independent research. Lawdragon made final decisions by selecting lawyers who “changed the law, our society and the businesses and people they counsel.”

As Lawdragon editors observed, “The chairman of his state’s largest firm with offices throughout the Southwest and now in Mexico, Bouma has represented Arizona in defending the state’s tough and controversial anti-immigration law.”

Bouma concentrates his practice in complex commercial litigation, including antitrust, commercial and business torts, professional malpractice defense and alternative dispute resolution.
