

**RANKING ARIZONA: THE BEST OF ARIZONA BUSINESS RECOGNIZES
SNELL & WILMER AS THE NUMBER ONE LAW FIRM**

PHOENIX (March 13, 2014) – Snell & Wilmer is pleased to announce that for the third consecutive year it has been ranked number one in Ranking Arizona: The Best of Arizona Business, in the category of law firms with over 50 attorneys.

“For over 75 years, our firm has been dedicated to providing clients with superior legal services on a timely, effective, and efficient basis while maintaining the highest standards of professional integrity,” said John Bouma, Chairman of Snell & Wilmer. “We appreciate the opportunities to serve both our clients and communities”

The rankings, published annually by Arizona Business Magazine and mailed out to a controlled distribution list of primarily upper management executives, presidents, principals and small business owners, include more than 250 business and leisure categories. Each category in Ranking Arizona is selected by the staff of AZ Big Media for the general public to vote on and is based on feedback from the state's business community regarding their interests and leisure activities. Voters, which include residents and business leaders throughout Arizona, participated in an online opinion poll provided by the official Ranking Arizona website. Ranking Arizona is based purely on opinion. Participants who voted were asked to base their opinions on quality of product, service and people, and not merely the company's revenue and number of employees.
