SNELL & WILMER ADDRESSES LEGAL NEEDS OF VETERANS AT ARIZONA VETERANS' STANDDOWN

PHOENIX (March 3, 2017) – Snell & Wilmer is pleased to announce that for the eighth consecutive year, the firm has played a vital role in supporting the Arizona StandDown, an annual two-day event that is held at the Veterans Memorial Coliseum in Phoenix that provides a wide array of services to at-risk veterans, including a legal clinic.

This year's event brought almost 2,000 veterans to the StandDown and a record number sought free legal services within the clinic. Snell & Wilmer attorneys and staff assisted more than 150 veterans in an effort to improve their lives through activities such as purging outstanding traffic tickets and violations the veterans had in other states so they could acquire temporary driver's licenses in Arizona. The team also helped set up small payment plans with debt collectors, helped with child support plans, worked to reduce the results of assault cases and arranged community service hours for certain veterans so their probation terms would end quickly and positively.

Gary Kula, organizer of legal services at the StandDown said, "Your [Snell & Wilmer] attorneys and staff did an amazing job in helping veterans with their out-of-state legal issues. For many years, helping veterans with cases outside of Arizona was our largest void as we were never able to put together any type of concerted effort to assist them. Fortunately, Snell & Wilmer stepped up and has now helped hundreds of veterans over the years who would otherwise be lost in their ability to resolve their out-of-state concerns. Thank you again for your assistance in helping veterans get back on their feet."

The Arizona StandDown is an alliance of community-based, unincorporated organizations that come together to provide services for homeless and at-risk veterans across the state with the help of hundreds of agencies and thousands of community volunteers. The first Veteran's Court in Arizona was implemented with the help of several Snell & Wilmer attorneys and has grown to multiple such courts throughout the state.
