Byeongsok Seo

Seo has been named to the Colorado Super Lawyers list from 2010 – 2017 for business litigation. Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. Each year, no more than five percent of the lawyers in the state are selected by the research team at Super Lawyers to receive this honor. In addition, Seo received the AV Preeminent® peer review rating by Martindale-Hubbell®. This rating, the highest peer rating standard, signifies that a large number of the lawyer's peers rank him or her at the highest level of professional excellence for their legal knowledge, communication skills and ethical standards.

Within the local professional community, Seo is the president and a board member of the Colorado Asian Pacific American Bar Association Foundation and a fellow of the Colorado Bar Foundation. He received the 2014 Colorado Asian Pacific American Bar Association's Minoru Yasui Award. The award, the Association's highest honor, is presented to an individual or group whose community service exemplifies the achievement of Yasui, who challenged the laws applied to Japanese-Americans during World War II and advocated for civil rights and liberties for American citizens, regardless of race or ethnicity.

Seo received his J.D. from the University of Denver Sturm College of Law and his B.S. in engineering mechanics from the United States Air Force Academy. Seo served as a captain in the United States Air Force.
