SNELL & WILMER RECEIVES 2018 COPPER EAGLE AWARD AT THE ARIZONA VETERANS HALL OF FAME SOCIETY'S 12TH ANNUAL PATRIOTIC GALA

PHOENIX (April 25, 2018) – Snell & Wilmer is pleased to announce the firm received the 2018 Copper Eagle Award from the Arizona Veterans Hall of Fame Society. The award was presented at the 12th Annual Patriotic Gala held April 21, 2018 at the Hilton Embassy Suites Scottsdale. View the Snell & Wilmer Copper Eagle Award video [here](#).

The Copper Eagle award is presented to a private or public organization whose actions warrant recognition for services to the Arizona veterans' community. The recipients of the award are honored for unique initiatives that complement the mission of the Arizona Veterans Hall of Fame Society and for their demonstrated leadership and programs that support veterans. Established in 2014, past award recipients include Sanderson Ford (2016), the Pat Tillman Foundation (2015), Rutherford Diversified Industries (2015) and Salt River Project (2014).

Snell & Wilmer attorneys Barry Halpern and Rick Erickson accepted the Copper Eagle Award on behalf of the firm at this year's Patriotic Gala.

"I nominated Snell & Wilmer for the Copper Eagle Award because the firm has gone out of its way for many years to support multiple Guard and Reserve deployments of its personnel since September 11, 2001," said Phoenix partner Rick Erickson. "The firm also sponsors numerous veteran organizations and causes in Arizona, including two days of paralegal and attorney services for veterans attending the StandDown event in Phoenix.

Most important, however, is the firm's culture of genuine support of those who choose military service and in identifying many ways the firm can promote veterans in our community."

"Service to our communities is a fundamental part of Snell & Wilmer's culture," said Phoenix partner Barry Halpern during his acceptance speech on behalf of the firm. "Very few contributions can be more important than our support for deployed colleagues and their families and the many hours of pro bono assistance that our lawyers and staff provide to veterans who deserve much more than our thanks."

Founded in 2007, The Arizona Veterans Hall of Fame Society is a 501(c)(3) organization whose mission is to preserve and perpetuate the traditions of the American military and all who served in it, to undertake charitable and other projects at the state and local levels, to work with veteran's organizations in the attainment of AVHOF's objectives, and to promote and encourage responsible citizenship among all Americans. The Patriotic Gala is the organization's annual event that attracts service men and women, retired military, political, business, civic and philanthropic leaders from around the state of Arizona to honor leaders who are a voice for those who serve our nation. Event proceeds fund scholarships and a wide variety of veteran projects on both a national and regional level.
