

Established in 1938, Snell & Wilmer has more than 425 attorneys in 12 locations in the United States and in Mexico.

Announcing ...

SNELL & WILMER'S HOLLY LONGE TO BE HONORED AT THE NEVADA WOMEN'S FUND'S 2019 SALUTE TO WOMEN OF ACHIEVEMENT LUNCHEON

RENO (MAY 13, 2019) Snell & Wilmer is pleased to announce that Reno Legal Administrative Assistant Holly Longe will be honored at the 2019 Salute to Women of Achievement luncheon, hosted by the [Nevada Women's Fund](#). The event will take place at the Grand Sierra Resort in Reno, Nevada on May 23.

Each year, the Nevada Women's Fund's Salute to Women of Achievement luncheon recognizes women who make a difference in the workplace, home and community. Considered Reno's largest business luncheon with nearly 1,400 attendees annually, the event celebrates the determination, passion and dedication of women in the Northern Nevada community and the businesses that support them. Longe was nominated by Snell & Wilmer Reno Partners [William E. Peterson](#) and [Jacey Prupas](#).

Longe has been with the Reno office for over seven years as a legal administrative assistant. Longe was the founding and only legal administrative assistant for the Reno office of Morris Pickering & Peterson, which subsequently became the Reno office of Snell & Wilmer.

"At Snell & Wilmer, the staff plays an important role in our operations, and Holly has been a key member of the Snell & Wilmer team ever since the Reno office began," said Peterson. "Not only does she keep things running smoothly by anticipating the needs of the attorneys and clients, but she shares her knowledge, is always energetic and never misses a beat."

"Holly hits the ground running every day at the office," said Prupas. "She also devotes her time to several charitable efforts in our community, including her support of the Food Bank of Northern Nevada. This is a well-deserved honor."

Holly Longe

Prior to joining Snell & Wilmer and Morris Pickering & Peterson, Longe was a principal administrative assistant for the law offices of Gene Wait. Longe graduated from the University of Nevada, Reno in 1992 with a Bachelor of Arts degree in criminal justice and worked many hours for Washoe County as a juvenile detention officer while working with Gene Wait.

The Nevada Women's Fund is a non-profit organization dedicated to strengthening the community by empowering women to improve their lives and the lives of their families. Founded in 1982 by concerned women who wanted the best for women and families of northern Nevada, the Nevada Women's Fund was established to correct the then national imbalance of financial distribution from traditional resources that resulted in less than 6% of grants going to women and children. Since 1983, the Nevada Women's Fund has made a huge impact on women's lives, raising and awarding \$7.7 million in local funding to support local education scholarships to individual women; and funding grants to local non-profits for needed family services.
