SNELL & WILMER ADDRESSES VETERANS' LEGAL ISSUES AT THE ANNUAL VETERANS STANDDOWN EVENT

PHOENIX (January 31, 2020) – Snell & Wilmer is pleased to announce that for the 11th consecutive year, the firm played a vital role in supporting the Maricopa County StandDown, an event held at the Veterans Memorial Coliseum in Phoenix that provides a wide array of services to at-risk veterans, including legal clinics.

“Every year our attorneys and staff go out of their way to give back to the veterans who need legal help. They are able to assist with complex legal issues that veterans have across the country,” said [Craig Logsdon](#), a Snell & Wilmer partner who organized the firm’s involvement.

The annual Maricopa County StandDown is the nation’s largest legal services event for veterans. This year’s event brought 2,215 veterans to the StandDown and 855 veterans sought free legal services within the clinic. Snell & Wilmer attorneys and staff assisted veterans in an effort to improve their lives through activities, such as purging outstanding traffic tickets and violations the veterans had in other states so they could acquire temporary drivers’ licenses in Arizona. The team also helped set up small payment plans with debt collectors, helped with child support plans, worked to reduce the results of assault cases and arranged community service hours for certain veterans in connection with probation terms.

The Maricopa County StandDown is coordinated by the Arizona Veterans StandDown Alliance, a program of the Arizona Housing Coalition which holds annual events and resource fairs in 12 of Arizona’s 15 counties, to allow veterans and their families who are experiencing housing instability and homelessness to get and stay connected to supportive services. It brings together an alliance of community-based, unincorporated organizations to provide services for homeless and at-risk veterans across the state with the help of hundreds of agencies and thousands of community volunteers. Many of the support services provided at the StandDown are also available throughout the year at Veterans Courts. Attorneys at Snell & Wilmer were instrumental in creating the concept of Veterans Courts in Arizona.
