**SNELL & WILMER SAN DIEGO ATTORNEY AND WOMEN IN BIO MEMBER SARAH HIBBARD INTERVIEWED BY ABC 10 NEWS SAN DIEGO**

**SAN DIEGO (March 18, 2021)** – Snell & Wilmer is pleased to announce that San Diego attorney [Sarah Hibbard](#) spoke on behalf of STEM organization, [Women in Bio](#) (WIB) in an interview with ABC 10 News San Diego that aired on March 9, 2021. Hibbard has been an active member of the San Diego chapter since February 2020 and currently serves as Co-Vice Chair for the Founders Forum, a program that supports female founders from early start-up to later project stages with resources, mentoring and access to capital. Through her work with WIB, Hibbard is dedicated to helping close the gap in funding for female entrepreneurs.

Sarah Hibbard

In this news story, part of an ABC 10 News San Diego community series and honoring Women's History Month, WIB is recognized as being an organization supporting and empowering women in life sciences nationwide. Hibbard and other leaders of the Southern California chapter highlight how the struggles of the pandemic have strengthen the relationships between members regardless of background or experience. Hibbard, a corporate attorney with a focus on the intersection of law, science and business, joined the San Diego office in 2020. Prior to joining Snell & Wilmer, Hibbard was general counsel for a San Diego-based biotechnology company operating in the oncology space. She has experience working with CEOs and executives to help position companies for growth and acquisition in fast-paced environments, as well as counseling businesses in dealings with government agencies, legislators and other stakeholders.

Hibbard received her J.D. at Thomas Jefferson School of Law and her B.S. in business administration at San Diego State University. She is currently an active member of Athena, Women in STEM and Licensing Executive Society San Diego Chapter. She has also recently become a member of San Diego County Bar Association's Governance Committee.

Snell & Wilmer's San Diego office was established in April 2020 to meet the growing needs of its clients in the region. Located in one of the top biotech centers in the United States, the office focuses on biotechnology law, as well as tax, intellectual property, private client services, corporate and securities and labor and employment services to a wide range of individuals, businesses, and industries.
