

# Snell & Wilmer Congratulates Steven Guy

STEVE WAS NAMED TO *THE BEST LAWYERS IN AMERICA*<sup>®</sup>  
IN 2010 IN THE AREA OF INSURANCE LAW.

The 16th edition of the biannual publication of *The Best Lawyers in America*<sup>®</sup> (Copyright 2010 by Woodward/White, Inc., of Aiken, S.C.) recognizes the best of the nation's legal representation in their respective practice areas, as determined by their peers.

*Best Lawyers* bases its listings on an exhaustive year-long survey of the legal profession, in which attorneys nationwide are asked to rate the top practitioners in their specialties, from their jurisdictions. This year's edition is based on over 2.5 million confidential evaluations by only the top attorneys in the country.

Steven S. Guy is a partner in Snell & Wilmer's commercial litigation practice in Phoenix, Arizona. Since 1983, he has handled a wide spectrum of commercial, contract and tort litigation representing both individual and corporate plaintiffs and defendants in matters frequently involving claims in the multiple millions of dollars. While Steve's practice has been concentrated in insurance litigation for more than 25 years, including the representation of insurers and policyholders in complex coverage, declaratory judgment and bad faith suits, he has also frequently represented both plaintiffs and defendants in personal injury, property damage as well as business tort and contract claims and disputes.

Steve's experience includes serving as lead counsel for a major trucking company in an insurance bad faith lawsuit that resulted in a recovery in excess of \$65 million. He also served as lead counsel for a food processing company in an insurance bad faith lawsuit that resulted in a \$10 million recovery. Other representative cases include representing an executive whistleblower who was wrongfully terminated resulting in a settlement of multiple millions of dollars; successfully defending substantial wage claims; representing plaintiffs in disability and health insurance claims resulting in recoveries in the millions of dollars.

Steven received his J.D. degree with distinction from the University of Arizona, James E. Rogers College of Law, and his B.A. degree with high scholarship from Oregon State University.
