

Elizabeth M. Weldon - Favorite Hobby

One of my hobbies is being a board member of Girls, Inc., of Orange County, and I'm currently the board President this year, and I really find gratifying about that that I get to help the girls in my community become their best selves, become engaged, become confident in themselves. We lead them to education, and really, they become, at the end, really great members of our community. So, I'm helping Orange County and helping individuals and having a great time while doing it.
