Main Bio

Taylor Moran provides entitlement and development services for the firm's clients, ranging from due diligence and initial site evaluation to assisting with full entitlement processing (rezoning, use permits and variances). Taylor also provides technical support for processes such as land divisions, subdivisions and abandonments of public right-of-way. She is responsible for coordinating public and neighborhood engagement efforts, such as developing citizen participation plans, neighborhood notification efforts, and preparation of required public participation reports for entitlement projects.

Taylor is currently pursuing a master's degree in urban and environmental planning from Arizona State University.
