Main Bio

Ryan Ivey focuses his practice in the life sciences industry. Before joining Snell & Wilmer, Ryan worked for a biotechnology company, supporting executives and operating teams in transactional matters related to the outsourcing of drug discovery and clinical trial initiatives. Earlier, Ryan served as in-house counsel for a multinational contract research organization (CRO), advising on a wide range of legal, commercial and operational matters related to the performance of all phases of outsourced clinical trials of pharmaceuticals, biologics and medical devices.

Practice temporarily authorized pending admission under CRCP 205.6.
