Cody White

Urban Planner | Phoenix

Tel. 602.382.6823

cwhite@swlaw.com

Main Bio

Cody White provides development and entitlement services for the firm's clients, ranging from due diligence and initial site evaluation to assisting with full entitlement processing. Cody is knowledgeable in the application of form-based zoning ordinances, with a focus on urban infill developments. He provides skilled knowledge in the areas of site planning and construction permitting (design review approvals, site plan approvals, construction plan reviews). Cody also provides knowledgeable guidance in navigating complex governmental processes including entitlements (rezoning, condition modifications, use permits, variances and appeals), land division (subdivisions, lot splits, easements and abandonments of public rights-of-way) and public engagement (citizen participation programs, neighborhood engagement and stakeholder communication).
