Main Bio

Mark Ohre represents clients in a wide variety of industries, including real estate development; renewable energy projects; governmental, healthcare and non-profit credit facilities; public and private secured lending; capital investment; fund formation; renewable energy development and financing; Housing and Urban Development (HUD) projects, New Market Tax Credit financing, commercial leasing, real property sales and acquisitions, master planning for resort, industrial, office and residential developments; entity formation and corporate structure; and all construction-related matters. He has developed strong working relationships with members of the National Indian Gaming Commission, Bureau of Indian Affairs, Bureau of Land Management, Small Business Administration, HUD, Rural Development, Department of Energy and other regulatory entities to address his clients' interests regarding federally enhanced financing and other business ventures that require federal approval. Mark advises corporate entrepreneurs in all stages of development from formation to liquidity and represents participants in every phase of the fund formation and equity raising process.
