## Joseph M. Teleoglou

Associate | Orange County

Tel. 714.427.7511

[jteleoglou@swlaw.com](mailto:jteleoglou@swlaw.com)

### Main Bio

Joseph Teleoglou's practice is concentrated in intellectual property. He has experience preparing and prosecuting patent applications (U.S. and foreign) in a variety of industries, including software, telecommunications systems, microelectronics, electronics hardware, control systems, medical devices, aerospace systems, automobile systems, electromechanical systems, and business methods. Joseph has additional experience providing legal opinions regarding patentability and infringement of intellectual property, litigating intellectual property disputes, preparing and prosecuting trademark applications, and negotiating and drafting license agreements. Joseph also has experience operating a small company in the area of technology transfer, including the acquisition, licensing and sales of intellectual property. He is registered with the United States Patent and Trademark Office.

Prior to attending law school, Joseph worked as an engineer designing hardware and firmware for satellite and land-based communication systems, and developing technology solutions for multiple electronic device platforms.

### Representative Experience

- Prepared and prosecuted patent applications related to: chip-level RF communication systems, cell phone communication technology, RF transceiver and antenna systems, RF power and surge protection systems, RFID sensor technology, new signal protocols, and design, fabrication, and implementation of microelectronics (including LED)
- Worked as an engineer designing FPGAs for use in RF-based satellite communication systems, and fixing hardware and software problems related to voice over IP systems

### Education

- University of North Carolina School of Law at Chapel Hill (J.D., 2012)
  - Staff Member, Journal of Law and Technology
- North Carolina State University (B.S., Electrical Engineering, 2007)

### Professional Memberships & Activities
