Main Bio

Tracy Olson focuses her practice in special litigation and compliance. She represents businesses and individuals in constitutional, government relations and regulatory matters. Her state and federal constitution and government relations practice includes compliance consulting and trial and appellate litigation related to election law, political law and commercial litigation. In her regulatory practice, Tracy represents and consults with healthcare clients regarding complex compliance questions, licensing complaints and government investigations.

Representative Experience

- Represented multiple federal and state candidates regarding political committee formation and campaign compliance including campaign finance, vendor management, and financial disclosures
- Represented individuals and candidates in connection to pre-election challenges to candidate and initiative ballot qualification
- Represented and advised individuals and committees in potential and actual post-election challenge to ballot initiatives
- Advised businesses concerning corporate political activity and boundaries.
- Represented governmental entities, committees, organizations, and individuals in constitutional challenges in state and federal courts
- Represented physicians, nurses, physical therapists, and behavioral health professionals regarding complaints in front of licensing boards
- Represented private practices and physicians in governmental payor investigations and self-disclosures
- Represented multiple groups in filing amicus briefs in state and federal supreme courts related to constitutional, regulatory, and election matters
